Years after opening, Spanky's was sued by Spanky McFarland of the Little Rascals television show, which aired during the 30s and 40s. In the end, it turned out to be a good thing. The restaurant settled with him and got the license to use his name and likeness. We are still the only one with those rights!

Consuming raw or undercooked meat, poultry, seafood, shellfish, eggs or unpasteurized milk may increase your risk of foodborne illness.
